The request must state the reason and justification for the move from a Novice "A" class to the Novice "B" class. Dogs moved up will run at the end of the running order.

COURSE FAMILIARIZATION & TIMING

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent.

A warm-up area, consisting of a regulation agility jump, may be provided for exhibitors. The warm-up area is to be used exclusively for warming up the dog and not for training or relieving of the dog. Umbrellas are not allowed on the course during the walk thru.

Electronic timing devices may be used.

All prizes must be claimed the day of the trial. None will be mailed.

HEIGHT DIVISIONS

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present: **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog *before* its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

NEW Simplified Jump Height Card Process

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the *Dogs To Be Measured List*. It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in.
