REGARDING THE TRIAL and AKC MEASUREMENTS...

All exhibitors must check in before judging of your first class on the first day you are entered. Arm bands will be available by self-check in for all dogs/handlers who marked their entry form as having a Permanent or Temporary AKC Height. All dogs competing in agility must have a valid AKC Official Jump Height Card or form. If the dog does not have a valid Jump Height Card or form it must be measured by a VMO, AKC Field Representative or by the judge(s) of record before it runs. There not will be a VMO present at this trial.

The following is the procedure for dogs that have not been measured by a VMO or Field Rep:

- If a VMO or Field Rep. is available, the dog should be measured before it runs. This will start the process toward getting a dog an AKC Jump Height Card.
- If a VMO or Field Rep. can not measure the dog before it runs, then the judge(s) of record needs to measure the dog prior to running. This measurement will only be effective for that set of trials.

When Does the Judge Of Record (not a VMO) Measure a Dog?

They have NEVER been measured by an AKC VMO or Field Rep and DO NOT have a yellow slip

- They have a yellow slip but it is a Temporary one that has expired because the dog has turned 2 years of age since the measurement.

When Does the Judge Of Record (not a VMO) Measure a Dog NOT measure a dog?

- When they have ANY yellow slip where the measurement was done after the dog turned 2 years of age.
- If the dog is running in either the 24 or 26-inch jump height class.
- Dogs will no longer need to be measured by a judge of record if the handler has a valid height card or valid yellow height card form(s) in their possession.

Official measurements after a dog runs:

- If a VMO or Field Rep. measures a dog after it runs and this measurement changes the jump height it is in, the measurement is effective for all future trials.
- If the dog is entered in the incorrect jump height, and the measurement from the VMO or AKC Field Rep. would change the jump height either up or down, this change is effective immediately for all trials in which the dog is entered regardless of whether or not the trial has met the closing date for entries.

Dogs may arrive anytime prior to their scheduled time of judging. Dogs not required for further judging will be excused. Exhibitors are responsible for being at the ring when it is their turn to run. Exhibitors are required to wear the provided armbands.

Judges are not required to wait for dogs. They will adhere, as closely as possible, to the judging schedule. The owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The trial giving club and the trial secretary have no obligation or responsibility for providing service, through a public address system, or stewards, or runners, for the purpose of calling or locating dogs that are to be at ring side when required.

Complete information regarding AKC's Measurement Policy can be found at http://www.akc.org/events/agility/jump_height_card.cfm
